

Pledge to Care for Creation

We join with our brothers and sisters around the world who are deeply concerned about what is happening to our Earth. As part of the Episcopal branch of the Jesus Movement, we long to grow loving, liberating, life-giving relationships with the whole of God's Creation. Together, we pledge to protect and renew the Earth and all who call it home. Together, we are living the Way of Love and make this commitment to specific actions.

*We will change our habits and choices in order to live more simply, humbly and gently on the Earth. **Because I want to change my life so my flourishing is woven together with the flourishing of the Earth, I will...***

Please post this in your home where you and your family keep it in mind and keep your commitment in your prayers.
